PISTOL RANGE

A 10 yard pistol range has been
constructed to the north of the rifle
range. This range is for **PISTOLS
ONLY**, no rifle or shotgun use. Please
pick up your brass...

3-D ARCHERY SHOOT

The CLSA will be postponing our 3-D
archery shoots for the time being. Due to
a lack of interest everywhere, we feel it is
best to wait and see what happens instead
of wasting the time and effort each
month. It is possible that we might set up
a shorter "self serve" course with an
honor system pay box that would be open
all the time...

Thanks to **ALL** of our shooters and
sponsors for the great shoots we had!

RANGE RULES

The rules for the rifle/pistol
range are current and a sign
has been installed.

Please visit the website to
download your own copy.

Thanks to ...Troy Adzima @
LAKELAND AGGREGATES for
donating the rubber belting we use on
our pistol range. Call 814.382.5345
for all your sand & gravel needs.
