This is a one day class in which participants will receive instruction in basic pistol operation, safety and handling as well as care, cleaning and storage. Instruction and guidance is also provided for proper shooting techniques and accuracy. All participants are required to be U.S. citizens and lawfully permitted to own or possess a firearm.

Participants will need to bring a handgun, 50 rounds of ammunition (no wad-cutter ammo please), eye and ear protection. Participants are encouraged to wear a baseball style cap and dress appropriately for the weather (no tank tops). If possible, bring your handgun owner's manual. Please bring a light lunch or snack. We will provide water, soda and coffee.

If you do not own a handgun, but are interested and would like to take the class, please call and we will try to accommodate you and provide you with an appropriate handgun.
